As shown by the statements of the Board of Bleath of New York, cause) the death of 76 persons out of 611 deaths, in one week, and 131 deaths to consumption induced by Dyspepsy. As it is a well attested fact that Dyspepsy is the origin of the sufferings of a large portion of those who die of consumption, it becomes the duty of every one to use such precautious against, and remedy for Dyspepsy, as seience and experience have placed before them, and which have proved to be efficacious; of this character is "Dr. Williams" Anti-Dyspeptic Elixir." in corroboration of which, read the following testimomas:

Testimony of Mr. Edward II. Bowley, of the firm of Rowley, Ashburner & Co., 14 North Wharves, in proof of the efficacy of Williams' Anti-Dyspeptic Elixir.

Philladelphia, October 29, 1849.

Dr. James Williams—Henr Sir: I take pleasure in recommending your Anti-Dyspeptic Elixir, for the enre of Dyspeps). These taken it myself for the disease, and have been entirely cared.

Yours, respectfully.

EDWARD II. ROWLEY.

Communication to John R. Penrose, Esq., from Mr. Franklin Evre, Kensington.

It is with great gratification that I testify to the efficacy of "Williams' Anti-Dyspeptic Elixir," which you so strongly recommended to me, and for which I heartily thank you; it has completely restored my health, which I cheerfully publicly neknowledge, with the loope that others may be similarly benefited.

Truly yours, FRANKLIN EYRE.

KENSINGTON, Sept. 12, 1850.

October 10, 1850.

Dr. James Williams—Dear Sir: Having suffered for a long time from Dyspepsy so severely that I was a mpletely prostrated, and having trice every means for rehet without success, I was advised to use your "Anti-Dyspeptic Elixir." It affords me much pleasure to inform you that I am entirely curred by its ase and I eyrdially recommend it to all persons suffering under Dyspepsy. Very, respectfully, &c., GEDRGE WOODRUFF.

Testim ny of Mr. Abner Ehoes, Market street, above Sixth, corroborative of the efficacy of Williams' Auti Dyspeptic Llixir:

Ilt. James Williams—Dear Sir: It gives me great pleasure to know that you are ugain preparing your medicine for the cure of Dyspeps, for many of my acquaintances have repeatedly asked me where it could be procured, knowing that I had been cured by it. As I think that a public acknowledgment of the great benefit I have received from the use of your me bicine is not only due toyon, but may be useful to others, I now make it. For several years I suffered from Dyspeps, which increased to such an extent that my hearth and constitution were rapidly sixking under it. I was enoughed to restrict myself to the most simple fool, and even that I could not digest; I left a loss of strength, disinclination to exercise, and (as yea have it in your advertis-ment) a general feeling of depression and indescribable weariness. In the year 1-3-, hearing from others high recommendation of your Anti-Dyspeptic Elixir, I procured and used it with the most happy elbert; mater is inflamence, knearor and weariness gradually passed away, and my appetite returned, which I could gratify with impunity. Ten years have now clapsed, and my confidence in the carative powers of your medicine has of course increased, fir it completely cured me when I failed to obtain relief from any other source.

\*\*Very respectfully yours.\*\*

A CARD From Dr. James M. Jarrett, of the New York Lung Infirmary.

MY connection for the past eight sears with the above Institution, as thief Physician, and a twelve years' course of steady devotion to the Cure of Pulmonary Consumption and its kindred diseases, together with my inrivalled opportunities and advantage of pathological research—aided not a little by a perfect system of Medical Inhalation—has enabled me to arrive at a decisive, direct, and suctogether with my narivalled apportunities and advantage of pathological research—aided not a little by a perfect system of Medical Inhalation—has enabled me to arrive at a decisive, direct, and successful course of treatment for the positive and radical cure of all diseases of the Throat, Lungs, and Air-Passages. B. Inhalation, the vapor and curative properties of medicines are directly addressed to the diseased organs and the integument. I do not advise the use of Medical Inhalation of any kind, to the exclusion of general becament; and although I consider it a useful adjuvant in the proper management of those fearful and often Ital diseases, yet I doem it very necessary that each patient should have the benefit of both general and local treatment. The saccess of my treatment in the above diseases, and the high character of the Institution over which I have so long had the honor to preside, are too well known to aced any enlegs or comment from me. At the solicitation of many private and professional Iriends, through whose philanthropic aid the above charity has been long and liberally supported, and after due consideration, I have concluded to make such arrangements as will bring the benefits of my experience and treatment within the reach of all, and not contine myself, as heretofore, to those only who entered the Infirmary, or who were able to visit me at my office. Hoping therefore that the arrangement will give entire satisfaction, both to my professional brethren and the public. I would respectfully announce, in conclusion, that I can now be consulted personally or by letter, on all diseases as above, and that the medicines, the same as used in the Institution, prepared to suit each individual case, Inhaling Vapors, Medical Inhalers, &c., &c., will be forwarded by express to any part of the United States or the Canadas. Tenas—My terms of treatment by letter are as follows; 86 to be paid to Express Agent on receipt of the box of Medicine, and the balance 86 at the expiration of the month, if the patient be

It Is incomparable Liniment, upon which the great mass of the afflicted of all lands now rely for relief from the pangs of Rheumatism, Neuralgea, Gout, Erysipelas, Cancer, Scrofula, Spraius, Bruises, Burns, Scalds, and all eutaneous diseases, is rapidly superseding all similar preparations. The proprietors give for the encouragement of sufferers the following memorandum of a few of the wonderful cures effected by it during the past few months, Certificates from the parties named are in the possession of the proprietors, but their length precludes the publication of all but a few.

One Bottle Triumphant. Mrs. Moffitt, No. 345 Morgan Street, St. Louis, having suffered for three years with Rhennatism, and tried many preparations without effect, was cured by oue fifty cent bottle of Arctic Liniment.

Out of Purgatory.

Henry Davis, Mound street, St. Louis, who says he was 'suffering the panes of purgatory" with neural-gia, for months, was cured by three or four applica-tious of the Arctie Liniment. Pity the Little Children.

A little daughter of Mrs. Lee, residing on Lake street, Chicago, was scalded all over by the upsetting of a kettle of boiling water. The Arctic Liminent was applied according to the directions, and the fire was instantly extracted, and in a few days the little sufferer was well. Restored to Beauty.

Mrs. George K. Tyler, Canul Street, N. O., had long suffered from a painful and disfiguring eraption on the face, and by the use of one bottle of the Lini-ment was cured, and restored to her original beauty. A Horrible Tumor.

Eugene Mallory, Natchez, was three years the vic-tim of a horrible tumor on the neck, which resisted all remedies until he tried the Arctic Liuiment. Three bottles cured him in a few weeks. Wonderful Cure!

Mrs. Bedford, Mobile, was confined to her couch for three years with mumb palsy, and after being in despair from the failure of all other remedies, was enred by the Arctic Liniment, in a little over a

Dr. A. G. Bragg-Dear Sir: For more than three years I had been afflicted with inflamed eyes in an aggravated degree, and tried various Physicians, and several nostrums, to no effect; I was induced by Dr Iaum to try the Arstie Liniment, and in two months was nearly well. My little daughter was afflicted in the same manner for the same time, and during a pertien of the time was entirely blind in one eye. I applied your valuable Liniment, and her eyes are now perfectly sound. Thus have I, with one two-bit hottle, eured my daughter's eyes and my own, besides enting the kinematism in my back. I would not be without your valuable remedy in my house.
